Students Home for Holiday—Kiwanis
Meeting—Minstrels a Success—Benton
Returned from Florida.

Among the students who took advan
tage of the holiday were Allen P. Garner
of Lowell Tech, coming home Friday
on a trip from New York, and Allen P.
turning from Boston, who makes a bee line
to his home wherever possible. Happy the
students with a home, regardless of love
of learning, they all make a grand rush
for the old roof tree, when opportunity
arises, and all will admit that "nothing
takes the meat off a fellow's bones like
a good home sickness." Not all the
dear ones who gave their lives for their
country, died of wounds. Nostalgia had
its share.

The Kiwanis held their meeting of
Friday at the Milliken school hall. Mr.
F. J. Peterson of the Standish Club read
a paper on "compulsory automobile in
surance." Mr. Wiley, president of the
Standish Club, gave a report on the
work of the club. Music on piano, saxophone
and violin were much enjoyed. The
class of the Methodist Episcopal
church sang the supper, which was good,
consisting of tomato soup, roast
potatoes, peas, pies and coffee.
The class last week met with Mrs.
William Perkins, with fourteen members.
Business session followed by the
singing of numerous selections were much
enjoyed by the hosts.

The recent rehearsals of the Minstrel
club, which was postponed two weeks
because of rain, culminated on
Friday night, Feb. 22, in a grand suc
cessful performance which filled the hall
with a delightful home folks
atmosphere. The club, which has been
rehearsing themselves so creditably in
the past, were like a well-oiled machine.
The songs, like "The Star Spangled Banner,"
and "The Minstrel's Song," were sung
with a feeling and understanding which
was appreciated by the other, which
the minstrels feel well rewarded
for their labors.

Heard and Seen at
Advertiser Office

We hunted bargains: And got 6 cob
pianos for \$25 at L. J. Brooks' fire and
water sale.

The Ward 8 Cubs view with utmost in-
terest the reorganizing of the once im-
portant Steam rollers. The boys feel that
with all their brilliant past in the athletic
field they will be but a tempting morsel
of meat for ravenous appetites in either
the track events or in baseball.

Amos Foster, Norway, wants a red calf
and Mrs. Fred Noble is anxious to sell her
house. Both have ads in the Intelli-
gence Column this week. They know that
people read and results follow. Spring
is the buying and selling time, therefore
place your ad now and beat out the
wait-a-while kind.

Sent in by a woman: "A stupid letter
but it is my own fault. I'm not exactly
a modest violet but I can't get used to
the idea of writing a personal letter to
Oxford Co."

Another Wandering Jew which blossoms
has been heard of Mrs. Fred Farrington
of Oxford was in the first of the
week and presented us with a sprig of the
plant bearing a well developed blossom
of a deep pink color and having three
petals. The leaves were of the striped
variety, dark in color with a silvery
sheen.

John Woodman has changed his mind
and is to start his sheep ranch in Canada
and not in Yaggar.

It seems strange that S. W. Goodwin
should go to Bermuda when he could have
got to Canada so much easier!

An ocean of post cards have arrived
from Florida. Pretty pictures! Thanks.

Roger Hutchins sends an "Airgram"
from Hotel Sutter, San Francisco, to the
writer. It had to do with a recent birth-
day. It took 6 cents and three days to
get here.

Rogers doesn't say what he is doing at
the Golden Gate. Why not? Would like
to know.

These fat grapes sent us in our birth-
day were raised in Belgium, beyond the
big water. We are told that the grapes
sent to this country from September un-
til around the first of January are grown
out of doors. These received from Fran-
ce until fall are grown under glass,
but with no heat, and are more expensive
and have less flavor than those grown out
of doors. It is very difficult to get them
during the summer, practically impossible,
in fact.

Frank Briggs of South Paris called,
Friday, to inquire for some kind of book
price list. He has many old volumes,
some of the antique kind, believed to be
rare and worth big money. Offers from
city dealers were not satisfactory, so he
wished to consult with Fisherman Fred
and get some line on market values. Our

Norway and Vicinity
(Continued from page 1)

Arthur Morrill and wife visited her
brother and family, Sunday.
The fire damage in the L. J. Brooks
building has been less adjusted and the store
is open to dispose of the present stock of
groceries. Extensive repairs will be made
after which Mr. Brooks will re-stock and
continue as usual.

A number of Norway teachers, in-
cluding Miss Ada Reed, Miss Ruth Flanders,
Miss Daphne Winslow, Miss Tessa Thibodeau,
Mrs. Arlene Rain, Mr. Edna Verne,
Miss Louise, Miss Knutson and Mrs. Ver-
dian Sampson, were entertained Thursday
evening at the home of Mrs. Helen Nel-
son, South Paris, with a group of the
South Paris teachers. Several tables were
filled for bridge and dainty refreshments
served.

Banquet Well Attended—Irish Has
Position in Bank.

Miss Elizabeth Shorey, teacher in
Westbrook high school, has been passing
a week's vacation with her parents, Mr.
and Mrs. H. A. Shorey, Jr.

Mrs. Olive Barber, who has been sick
for a week is now able to be around the
house.

The Mother-Daughter banquet, under
the auspices of the B. P. W. Club in the
Congregational vestry, Friday evening,
was largely attended. The speaker was
Miss Jessie Keane of the Gorham Normal
School.

Shirley Irish of Portland has been ap-
pointed acting-treasurer in the Casco
Moranville Trust Co. Carl P. Plummer
remains as director of the bank.

The social committee in charge at the
Tuesday evening meeting of the Ameri-
can Legion Auxiliary was Mrs. Hazel Pitt-
man, Mrs. Emma Hill and Mrs. Helen
Easton.

The unit decided to order from the
department 300 more poppies making
the complete order 500. Mrs. Edna Hall
chaired the activity for the month
of February is to have a public whist
party in the Stiles Block, Wednesday
evening.

Pleading reports have come from the
Maine General Hospital regarding Charles
Potter, who returned there last Monday
for treatment.

There were no services at the Con-
gregational Church Sunday, as the minister,
who was to come from New York, tele-
graphed that he would be unable to come.
It was too late to get a minister so many
members of the Congregational Church
attended the Methodist church.

THAT NOISY SCOUT TROOP IN
YOUR CHURCH

Here and there one finds a church, the
stern dictators of which apparently take
as their motto:

"One day shalt thou labor and do
all thy work, but the rest of the time,
except for Wednesday night prayer
meeting, thou shalt stand stern and
silent so that those who pass may
hold you in reverence."

If perchance some modern elder, dea-
con or pastor has seen fit to foster a
troop of boy scouts, others look askance at
the noisy group, and rub a frying pan
whenever a tent peg or a frying pan
comes in contact with painted wall or
tender window pane.

They fail to see the group of boys that
would otherwise be on the streets; they
fail to visualize the study and work that
go on beneath the roof of their house of
worship; they fail to make mental note
that the leaders of that very church, fif-
teen years hence, are probably romping
joyously as members of that noisy, boi-
sterous, teen-age troop.

And as they frown, and their frowns
turn into grumblings, those alert boys be-
gin to wonder what the matter is with
a religion that is so short-sighted.

Can we blame them? Is the boy who belongs
to a troop that meets in a church that
boasts of leaders who can remember their
own youth and who can afford to pay
the price of a window pane for a future
pillar of the church.

What Maine Wants To Do.

Awaken Community Consciousness,
Prepare for Advancement,
Pull Together

That the program of the Maine De-
velopment Commission and co-operating
bodies is following directly the lines
of President-elect Hoover, was the state-
ment of Clarence C. Stetson, Chairman
of the Commission, in an address re-
cently made at the annual meeting of
fact that President-elect Hoover, at one
of his conferences with the New England
Council, in effect stated that the real
need of New England was the awakening
of a "Community consciousness and that
the way to accomplish this end was for
New England to study herself so that
she would appreciate rather than de-
preciate her assets and opportunities.

"The program of the Maine Devel-
opment Commission and its co-operating
bodies is based upon the principle en-
unciated by President-elect Hoover,"
said chairman Stetson. It is directed
to awakening a "Maine consciousness."
The program is being carried on with a
view to instilling in the minds of the
people of Maine the idea of studying
Maine so that they may have an atti-
tude of "State consciousness," a patri-
otic attitude of appreciation and not
depreciation, of the many existing and
potential advantages of Maine.

The program is also being carried on with
another aim to arouse the people of
Maine to note that in the League
of the people of other States an apprecia-
tion of the opportunities of Maine.

"It is sometimes said that the devel-
opment program of the State benefits
but a limited few. Facts prove this to
be the opposite. Maine advertising is
bringing each year more and more in-
quiries which shows more interest in
Maine. Advice from different parts of
the State report increase in business in
the summer of 1928 over the summer
of 1927 ranging from 5 per cent to 25
per cent. All this means more money
in Maine to feed. This furnishes to our
farmer a wider market for his products.

"The number of cars entering our
various gates shows an increase in
means more automobiles upon our roads,
more people buying gas and hence more
gas tax, all of which is paid into the
State Treasury and hence to every citi-
zen of Maine. This gas tax aids the
building of more roads. Every mile of
road built brings the communities of
Maine nearer to each other and to other
States, hence increases facilities for in-
terchange of goods and money, an es-
sential and a powerful medium for in-
creased prosperity.

"Developments such as Sprucewood,
Lawrence and Trunk Pond, increase the tax-
able property in the communities where
built, in the counties where the communi-
ties are located and hence, spread the
tax burden giving a twelve months ben-
efit to every citizen in the State. This

does not give consideration to many other
opportunities furnished by these devel-
opments to our labor, our grovers of
product, our suppliers of raw and man-
ufactured materials to dispose of their
wares.

"Our advertising in the early Spring
features our fishing. Non-resident fish
and game licenses show an increase for
the years 1928 to 1929:

Non-Resident Fishing
1928, 13,731 at \$3 \$41,193.00

1929, 2,908 at \$4.50 and \$15 \$41,055.00

"Total non-resident licenses fees from
fish and game collected in 1928 amounted
to \$112,771. The first \$100,000 from
these and similar sources and from mon-
ies collected in fines over the under the
present law to the State Treasury—
again benefiting every citizen.

"As a parenthesis to this thought it
is interesting to note that in the League
of the people of other States an apprecia-
tion of the opportunities of Maine.

"The matter of the appropriation for
the Commission comes before the Legis-
lature shortly. The Commission has
asked for a larger appropriation, \$105,
440 annually, in order to permit it to
expand its work, and to retain for Maine
its place of preeminence in State devel-
opment programs which it has gained
as a result of the last few years of effort.
This increase has been approved by the
Budget Committee of the present Legis-
lature. It has been endorsed by the Ex-
ecutive Committee of the Publicity Bur-
eau which has proffered further co-opera-
tion to the Commission as well as ap-
proving its program. The business man-
age of Maine, especially since the initiation
of the Survey by the Commission, have
shown keen interest in the develop-

ment program of the State and have
endorsed the principal of an increase in
the appropriation for Commission work.
In asking for this increased budget to
expand its program, the Commission is
following the suggestions made and ap-
proved by resolutions adopted by the
Economic Conference in May, 1928. It
will be remembered that the Economic
Conference was called by the Commission
at the suggestion of the Eighty-third
Legislature as a means of guiding the
Commission in the formulation of its
program."

Bladder Weakness
Wrecking Health
of Thousands
A big percentage—some claim two out of three—of men and women of mature years are troubled with Bladder and Urinary Weakness, causing Backaches, Headaches, Nervousness, frequent night risings and burning irritations throughout the day. These conditions not only make life miserable, but they sap vitality, undermine health and frequently lead to most painful operations.
In an effort to swiftly relieve and comfort even the most obstinate and distressing of these conditions, a well known Physician offers the value of "Urostatin," a treatment he has successfully used for over 40 years. Dr. Southworth's "Urostatin" comes in glass and plastic packages containing 10 days' treatment—and all who need such a medicine are invited to try it at once without slightest risk of cost unless satisfied with results. Any good druggist will supply you on a binding guarantee of satisfaction or money back on first box purchased.

SOUTH ALBANY

June and Don Brown spent the week end at their home here. Muriel Sloan of Norway came with June and they all attended the Carnival at North Waterford, Saturday.

Edward Holt of Norway visited his grandfather, Merritt Savin, a few days, and attended the carnival at North Waterford, Saturday.
Mrs. Roy Wardwell recently visited Preston Flint and sisters, Emma and Susie Flint. Mrs. Wardwell has a beautiful calla lily which has a number of large, fragrant blossoms and a tulip with a delicate pink blossom. The bulb was put in a pot of earth and has grown and blossomed as well as though it had been out of doors.
Mr. and Mrs. Merritt Savin recently visited at Walter Canwell's.

Mrs. Ezra LeBroke has received word from her brother, Sam Webber, of Agawam, Mass., that he is making a good, but slow recovery from a recent attack of pneumonia. Mr. and Mrs. Webber spent one summer vacation with his sister at her home here and is very pleasantly remembered by those who made their acquaintance at that time. He will visit his sister later, when he has gotten his strength back.
Walter Canwell sold two pigs to Merton Adams.

ESSEX THE CHALLENGER

Twice now...in 30 days...production has had to be increased

Essex the Challenger sweeps aside the barriers of price class. It challenges the performance, the style, the luxurious roomy comfort of any car at any price, on the basis that no other car gives you back so much for every dollar you put in.

A glance at its 76 advanced features reveals at once why Essex excepts no car in its challenge. For point after point in fine car construction, performance and detail, brings you directly to costliest cars to find comparison.

With above 70 miles an hour top speed, Essex the Challenger, in thousands of demonstrations, is proving the endurance and ability to do 60 miles an hour all day long.

It is the finest, largest, roomiest, most brilliantly performing Essex ever built, and the price the lowest for which Essex ever sold—but little above the lowest priced car on the market.

That is why the acceptance of Essex the Challenger is the talk of motordom. Join the van of 1,000,000 Super-Six owners who are demonstrating its right and ability to challenge the best that motordom offers.

We build or rebuild

radio sets. Didn't know it could be done? Well, it can. Not just the tubes—though even that sometimes helps a lot. But it's likely we can take your last-year's set, that you're thinking of "trading in" for a new one, and alter it at a fraction of the cost—so that it will give you everything you would get in a new set—and more, too.

Perhaps it will not pay to rebuild your particular type of radio. If so, we will say so frankly. If a new one is needed, by all means see and hear, before you purchase one, the surprising performance of the sets we build to order, from the very latest and best parts obtainable—embodying principles not yet available in ready-made sets. The cost of such a custom-built receiver need not be a cent more than you would pay for a common ready-made set! Yet the standard of quality in our custom-built receivers is far higher in every way.

A call and a friendly conversation on reception progress in radio will cost you nothing, and may result in giving you many pleasant hours—whether or not you buy a new set this year.

Don't Fuss With Mustard Plasters

Don't mix a mess of mustard, flour and water when you can relieve pain, soreness or stiffness with a little clean, white Musterole.

Musterole is made of oil of mustard and other helpful ingredients, and takes the place of mustard plasters.

Musterole usually gives prompt relief from sore throat, bronchitis, tonsillitis, croup, stiff neck, asthma, neuralgia, headache, congestion, pleurisy, rheumatism, lumbago, pains and aches of the back or joints, sprains, sore muscles, bruises, chilblains, frost-bitten feet, colds of the chest (it may prevent pneumonia).

There will be snowshoe and ski dashes, ski jumping, obstacle, three-legged and crazy races. At five o'clock, the Conway Center intermediate boys will play the Pioneers at basketball in Willey's hall. Supper will be served at Masonic hall at six-thirty. In the evening there will be an entertainment consisting of farces, musical numbers, a minstrel show and variety acts.

Mr. Cross will preach at the Lovell church, Sunday morning instead of Mr. Pavy, as was previously announced. After the sermon, there will be an important church meeting. A similar meeting will be led by Mr. Pavy at the Harbor church.

The annual parish meeting will be held at the Harbor church, Wednesday, March 6. The two year trial of the parish plan is at an end and it is important that all members be present at this meeting.

The fourth quarterly conference will be given the same day and Rev. Cyrril Hughes, the district superintendent will be present.

LOVELL—NO. 4

Jolly-Ate Club

The ninth Jolly Ate party was held last Thursday at the attractive home of Mrs. Helen Cox on Eastman Hill. The day was no exception to the rule. The usual snow storm having arrived. The "Ate's" could not wait for the snow plow but started with horses and cars, the horses made the hill on high, but the car laid down, and two of the members finished the grade in low. All arrived in time for the game at the usual hour. Some of our members were unavoidably detained so the hostesses, by every kindly consented to make the number even. The club voted to have a musical program after the game and a vocal solo was rendered by the host. We thought the prizes were going at usual but Bessie lost out on the consolation as Athena was the lucky lady. Ruth won first prize. One of Helen's wonderful lunches was served and fully appreciated by every member. As the moon rose over Sabbath, the Jolly Ate bid the hostess good night until next Thursday, when we meet with Mrs. Annie Walker, at No. 4.

Oxford County United Parish

Including Albany, North Lovell, East Standish and the Harbor Church. Pastoral Staff: Revs. W. L. Bull, B. F. Wentworth, A. C. Townsend

Nature provided an ideal winter's day last Saturday for the fourth Winter Carnival which was held at North Waterford. The snow made the ski and snowshoe contests just difficult enough to be interesting; while Waterford's new tractor snow-plow made the roads just right for the dashes, rope-pulls and other short events. The plow also had made it possible for all to come in autos, and there were a goodly number from all parts of the Parish, and from near-by towns. Individual and group contests filled every minute of the day.

At noon an oyster dinner was served in the church vestry by the ladies of the whole Parish, and every local community was represented in preparing and serving it. The proceeds went to the Staff fund, and amounted to about fifty dollars. At night a baked bean supper was served by the Ladies' Circle of East Standish.

In the evening the "Old Yellow" hall was crowded to hear the Carnival awards, witness the crowning of the Carnival Queen, and to see the annual drama. The Carnival queen was chosen in a party by points, won during the day by the popular vote. (Everyone buying a Carnival pin being entitled to vote for the Queen.) The largest popular vote was for Miss Merrill of East Standish, but due to points won during the day's contests, the honor went to Mary Hersey of North Waterford, and she was crowned Carnival Queen. Some of the principal guests were as follows: To the boys winning the largest number of points in all contests and so declared Carnival King, Wilson Bartlett of Bethel.

Aldrich, Norway, the winner last year, was a close second.

To the boy winning the Parish winning the highest number of points, John Fox of North Waterford.

In the senior ski jump, Alfred Hersey of North Waterford took first; Louis Kittredge of North Waterford, second; Stanley Lord of North Waterford, third; Paul Adams of North Lovell, fourth.

In the snowshoe dash, Colby first; Aldrich second; Colby of South Paris, third.

In the snow-shoe dash, Colby first; Aldrich second; Butters of North Lovell third; Don Brown of North Waterford fourth.

In the senior cross-country ski race, Aldrich took first, Harkness of South Paris, second; Fox third; Myron Lord fourth.

In the cross-country snowshoe race, Aldrich took first; Lord second; Brown third; Hersey fourth.

The High School contests were close and exciting. School boys won first honor, with a total score of 22 points. Gould Academy was a close second with 21. In the cross-country ski race the So. Paris boys took both first and second honors. The winners were: Other individual and group contests were equally interesting. Four cups were competed for as follows: The Pason cup for the winning high school team, taken by So. Paris. Cup for the highest score within the parish, taken by John Fox. Cup for the individual having the highest score, Wilson Bartlett of Bethel. The Staff cup, won by Mary Hersey of North Waterford.

The hall for the evening's program was decorated in a manner very creditable to the Decorating Committee. The north wall represented the winter scenes, the south wall, summer scenes. Prominent among the winter scenes was a miniature log cabin in a winter landscape, and among the summer scenes, a tent with appropriate summer scenery. Also a sea-shore scene including a light house.

After the announcement of awards, an the crowning of the Queen the audience enjoyed the rendering by the North Waterford talent of the drama, "The Heart of Maine." This was declared by many to be the best yet given during the four years in which the United Parish has held a winter carnival.
